

DR. M. W. CHASE

Of Chicago Will Deliver Commencement Address

Commencement Exercises to be Held in City Opera House.

Dr. M. W. Chase, of Chicago, has been selected to deliver the commencement address to the graduating class of the Rushville high school on Friday night, May 27th. The subject of Dr. Chase's discourse will be, "Why, Or the Problems of Life." The services of Dewitt Miller, who lectured here this winter could have been secured, but there was some deliberation over the kind of program to be given and in the meantime Mr. Miller had agreed to go to Glen Falls, N. Y., in order that he might sail for London the following day.

The invocation will be offered by Rev. W. P. McGarey, of the United Presbyterian church, of this city, and Rev. W. W. Sniff, of the Main street Christian church will pronounce the benediction. As yet the music for the occasion has not been procured, but those who have that in charge will endeavor to procure the very best and are corresponding with some of the leading orchestras in this part of the country.

The commencement exercises will be held at the City Opera House and will be held on the night of Friday, May 27th.

The baccalaureate sermon will be delivered at St. Paul's M. E. church, Sunday evening, May 22, by Rev. V. W. Tevis, of this city, assisted by Rev. Whitlock, of Chicago, who is now occupying the pulpit of the Presbyterian church in this city, during the absence of Rev. T. H. McConnell.

Those who will graduate this year and the subjects of their respective essays are as follows:

Grace Frazee, "The Culture of Life"; Nellie Bigham, "Between Scylla and Charybdis"; Helen I. Campbell, "Should the Sphere of Municipal Activities be Extended?"; Lillian Flechart, "The Greatness of American Literature"; Teco Holden, "The American Girl, vs. The Colonial Girl"; Nora Moran, "Is Your Modern Education a Practical One?"; Grace Rainey, "What is Poetry?"; Jessie Riley, "Rome was Not Built in a Day"; Hazel Spurrier, "The Influence of Geography upon United States History"; Leona Vance, "Oliver Cromwell"; Lucia Wilson, "The Elizabethan Age"; Cecil Clark, "The World's Greatest Diplomatist"; Lawrence E. Geraghty, "Backbone"; Roy Harrold, "The Panama Canal Question"; Clifford S. Lee, "Russia's Aggressive Policy in the Far East"; Eugene Miller, "The Monroe Doctrine"; Don B. Root, "Robert Burns"; Claude Simpson, "The Duties of an American Citizen"; Birney D. Spradling, "A Defense of Government—Managing Internal Means of Transportation."

The class numbers, in all, nineteen students, eleven of whom are girls. The class motto is "Wait not for an opportunity, but make one." The class colors are blue and gold, and the class flower is the Lily of the Valley.

The last week of the present school term will be devoted to the entertainment of the class, and the calendar for the work is as follows:

Tuesday, May 24th, production of Shakespeare's "Merchant of Venice" by the class; Wednesday, May 25th, Junior-Senior reception; Friday, May 27th, commencement at city Opera House.

TWO COWS KILLED.

Big Four South Bound Train Strikes Cattle.

The 3:20 south bound train on the Big Four yesterday afternoon struck two cows at the crossing, near the Watt Bartlett place, now occupied by a man named Kendall, north of town, killing them instantly and nearly causing a wreck.

The cattle were thrown with great force by the fast moving train and lit almost forty feet from the place of the accident, in front of the home of Bruce Graham.

The cows were supposed to belong to Boone Gilson.

RESCUES AMERICAN GIRL

Consul Gowdy Lends Assistance to Unfortunate Woman.

Advices from Paris state that United States Consul General Gowdy recently received a letter from an American girl, saying that she was locked up in a provincial jail without any charge having been made against her. The consul general sent a representative to the jail and secured the girl's release and return to Paris. He then cabled to her parents residing at Decatur, Ga., requesting funds for her return to America. The girl related a sensational story. She claimed to have been abducted by an American seeking to marry her and said she accompanied him on an automobile tour, was locked up in a room in a country hotel, escaped and attempted to walk across the country, but was arrested as a wanderer by the French authorities.

Inquiries made by Mr. Gowdy's representative, established the correctness of her detention at the provincial jail, but the story of her abduction, was not verified, except by her statement, which has been reduced to an affidavit before the consul. The names of the parties are withheld, as no legal steps have been taken against the alleged abductor and owing to the doubtful character of some of the accusations. Pending the arrival of funds, the girl is being cared for by the American Young Men's Christian Association.

SUPREME COURT

Decides Legislative Apportionment Act Unfair and Void.

Indianapolis, May 12.—The supreme court has affirmed one of the three "apportionment cases," by which the act of 1903, apportioning the state into districts for the election of state senators and representatives was held unconstitutional. The opinion of the court does not even refer to the act of 1897, under which the Democrats have insisted the election next fall shall be held, but the Ripley county case is the one decided, and in it there was a petition for a writ of mandate to compel the election of members of the general assembly to be held under the apportionment of 1897. By affirming the decision of the lower court in this case, the supreme court directs that the election of members of the general assembly next fall be made under the act of 1897, and this removes the danger of having no constitutional act under which to conduct the election.

ANNUAL CONVENTION

Of Sunday School Association in This City June 2d.

The twenty-first annual convention of the County Sunday School Association will be held in this city, June 2d, 1904. The county officers are making every effort to have the best meeting ever held here. They have secured the services of Rev. E. W. Halpenny, the State General Secretary, also some of the very best speakers in the county, including the pastor of each of the Rushville churches.

Prof. Craig will lead the music. The county secretary has his work well in hand and hopes to get a report from every school.

There are no salaried officers in the county work. The president and his assistants prefer to donate their services and save the money to advance the cause. They hope in a few months to be able to bring a State worker into the county, who with others will make a tour of the county, and hold meetings in every township.

If each school will make a contribution, this can be accomplished, and much good be done.

Each superintendent is invited to attend and to appoint two delegates. We expect every county and township officer to be present. Also the pastor of each church.

A cordial invitation is extended to all.

The maximum train load on the Trans-Siberian railway is five hundred tons; in America, 2500 net tons.

MAYOR'S PROCLAMATION

To the Public:

My attention has been directed to the movement in several communities in the State of Indiana, to place the exercises on Decoration Day in the hands of the citizens, the veteran soldiers participating just as other and civic organizations do, and as a part of the ceremonies. It has always been the desire of the veterans that Decoration Day be observed by the citizens as a class, and that they be charged with the management of the exercises, and they gladly welcome the movement in other cities, which they trust will become general and that our citizens will fall in line and take charge next Decoration Day in Rushville.

By request of Joel Wolfe Post G. A. R., I hereby call a meeting of the citizens of Rushville and vicinity to convene at the assembly room of the court house, on Monday, May 16, 1904, at 7:30 o'clock p. m. to take action in the premises, and I invoke a large attendance of our people.

Given under my hand this, the 12th day of May, A. D. 1904.

JOHN M. STEVENS, Mayor.

DELIGHTFULLY

Entertained by Selections of Classical Music From Noted Composers.

Talented Musicians Render Excellent Program—Mesdames Root and Green are Hostesses.

At the beautiful residence of W. D. Root at the corner of Fifth and Perkins, Mrs. Willard D. Root and Mrs. Thomas M. Green gave a delightful musicale yesterday, to about sixty invited guests.

The ladies were most beautifully gowned and the rooms were artistically and appropriately decorated in spring flowers.

The reception hall with its appointment of green and white, to which were added some beautiful plants, the parlor with purple lilacs, and the dining room and library with its draperies of pink and white, adorned with sweet peas of the selected colors gave the home a most beautiful and inviting appearance. A basket of sweet peas formed the center piece for the table in the dining room.

Each of the numbers on the program were carried out magnificently and each in itself was a musical treat. Prof. Will Bunch, of New Castle, who completed his musical education in Europe, rendered a number of selections from Bach, Beethoven, Chopin and other noted composers.

Mr. Paris, of Muncie, who has a magnificent voice gave a number of beautiful solos from Nevin, Alton and Anon. Miss Jessie Jay, of Indianapolis, one of the finest violinists in the State, favored the party with some beautiful selections from favorite composers which were of the highest order and much appreciated. Mrs. Oscar Miller, who was not on the program gave readings from Will Carlton and Paul Lawrence Dunbar, which were pronounced very fine and added very materially to the afternoon's entertainment.

There were about sixty guests present, those from out of town being Mrs. L. B. Miller and Mrs. Oscar Miller, of Greensburg.

A luncheon was served, consisting of ice cream in the shape of musical instruments, cake, strawberries and other delicacies, and the favors were a bunch of sweet peas. Souvenir programs with a carnation attached were also presented each guest.

AT SEAT OF WAR

Impending Event Foreshadowed in St. Petersburg Dispatches

The Mikado's Troops are Now Practically in Possession of the Entire Liao Tung Peninsula.

Possiet, Siberia, May 12.—A Japanese torpedo boat made its appearance in the roadstead two days ago and suspicious lights have been seen. Everything is quiet here, but all is in readiness to meet any landing of the enemy, whose probable purpose is the cutting of Vladivostok.

Ehanghai, May 12.—It is reported from Pekin that the Japanese on Monday occupied Kaiping, sixteen miles below Tashichao, and that they expected to occupy New Chwang on Friday.

St. Petersburg, May 12.—Impending events of great importance to the military situation in Manchuria are foreshadowed in official dispatches given out late last night by the war commission.

On May 8 the Japanese forces cautiously moved from Feng Wang Cheng toward Hai Cheng, which is thirty-two miles east by north of New Chwang, and it is the opinion of the general staff that they should certainly reach their destination within two days. If the Japanese occupy Hai Cheng, with Port Arthur effectively cut off, New Chwang, which the Russians have already dismantled, would pass into their hands. The entire Liao Tung peninsula, in fact, save Port Arthur and perhaps Kaiping would be commanded by them.

The satisfaction felt at the re-establishment of communication with Port Arthur is increased by the knowledge that a trainload of ammunition has been safely delivered to the fortress. This was done in the presence of the enemy's army which landed at Pitsewo and which is apparently on the eve of being reinforced by another division on board thirty transports now lying off Port Adams.

JAPANESE KINDNESS

Captured Russians Being Treated With Great Consideration.

London, May 12.—The Daily Mail's correspondent at the Japanese headquarters, in describing the battle on the Yalu, testifies that the Russian position there, if properly held, ought to have been impregnable, even with the sacrifice of 10,000 men. The correspondent says that the battlefield afterward presented a sickening spectacle, but that the wounded bore their sufferings with the most heroic stoicism. Judging from their disheveled appearance, the correspondent infers that the Russians must have been in the trenches for several days. He continues: "The Japanese are showing the greatest kindness to the wounded prisoners, and the captured Russian officers are being treated by the highest among the Japanese as respected guests."

"In the hour of victory the Japanese soldiers show admirable restraint and sobriety of demeanor. They express open admiration for the courage and determination of the Russians, whom they have found to be utterly unlike the Chinese and who are, they say, opponents worthy of their steel."

Vladivostok Undisturbed.

Vladivostok, May 12.—All is quiet here. The enemy has not been sighted. The commander of the forces has left Vladivostok after carefully reviewing the troops and inspecting the fortifications.

Relief of Port Arthur.

St. Petersburg, May 12.—General Kuropatkin has telegraphed to the emperor that a train loaded with war material from Liao Yang has arrived at Port Arthur.

DEATHS.

GLEE CLUB AT MILROY

High School Girls Sing at Milroy High School Commencement—Work Highly Commended upon.

Much praise is being heard concerning the singing of the high school girls' Glee club, at Milroy Tuesday night.

The club is composed of twelve of the high school's best singers, and their music has been of the highest order.

Mr. Craig, the club's director, is one of Rushville's best tenor singers, and his ability as a director and trainer of voices is well known.

At the commencement Tuesday night the opening song entitled "Welcome Pretty Primrose," by Piviasti, was sung by the club, and delighted all.

The club rendered then more selections which were highly encored. Miss Mattie Hogsett, the club's pianist, played the commencement march, and Miss Florence Frazee rendered a beautiful piano solo, Grattschalk's "Last Hope," which was exceptionally fine. The duet by Miss Inez Abbott and Prof. Craig was enthusiastically encored. The quartette by Ruth Tevis, Ruby Norris, Frankie Clark and Georgia Wyatt was received with rapturous applause and they responded with "Your Necktie Is Up Behind" the solo in the piece being sung by Florence Frazee. The addresses by Rev. Schmunk and Supt. Headlee were very practical, the former having waxed eloquent several times.

The work of the Glee club was pronounced by Milroy people, as being exceptionally fine and their ability as musicians was highly commented upon.

Parker gets Indiana without doing any talking.

Speaking of bosses, read the accounts of the Democratic State wrangle at Indianapolis.

It is thought that the Illinois State convention now in session will endorse Senator Fairbanks for vice-President.

The convention at Indianapolis is not "a calm sea and easy sailing" by a good deal, but is a little "choppy."

The report that Hearst can't talk, does not exactly conform in all respects to the old saying that "money talks." If money talks, Hearst had his say in Indiana.

The Hearst people were as helpless in the State convention as if they never did have a delegate, and just to think of all the good cash it took to get the few they had.

The South is mighty lucky to have a North to save it from the results of voting the Democratic ticket. The New York International Economist shows that exports from the Gulf increased from \$131,000,000 in 1893 to \$331,000,000 in 1903, an expansion of more than 150 per cent.

The Economist gives a number of

reasons why this growth will continue; first, that the prohibition of a concentration of all the railroad interests of the country effected by the administration in driving the case against the Northern Securities company to a successful conclusion will prevent rate discrimination against these ports; then the Panama canal will be constructed through the efforts of the present administration, and the merchant marine of this country will be developed by some sort of fostering legislation when Republican platform pledges in this direction have been fulfilled. Yet every state bordering on the Gulf will continue to vote the Democratic ticket and pray for its failure.

DISAGREEABLY SURPRISED

Hungry Democrats Unable to Fill Pockets at Hearst's Expense.

Indianapolis, May 12.—The impression was so strong that Hearst had sent a barrel of money to Indiana that his headquarters were overrun by men who were for lining their pockets at his expense. The way they were turned down seems to warrant the statement that there has been a lot of exaggeration as to the methods Hearst's representatives have employed. Chas. F. S. Neal, who has shared the management with J. Oscar Henderson, declared that Hearst had not paid the expense of any delegates to the convention and that he had not bought a man. Some of the men who have conducted the work of organization in the districts he said had been paid as a matter of course. Hearst had well-appointed headquarters for his followers here, but those who came expecting lavish entertainment must have been disagreeably surprised, for there was no attempt to make an elaborate display. The impression has been created that Hearst has spent over a hundred thousand dollars in Indiana in the last three months. While the exact amount will probably never be made public, his representatives say that it would seem surprisingly small.

It was remarked on all sides today that Thomas Taggart has reached the most critical point of his career as a party leader in Indiana. There is undoubtedly much feeling against him because of his insistence on instructions for Parker, yet his friends say that in view of the way the Hearst papers went after him that there was nothing else left for him to do. Whether or not Taggart really started in to deliver the delegation to Parker with an understanding that he is to receive the national chairmanship as his reward if Parker is nominated, is an open question, and Taggart may be relied on to keep quiet so far as he is concerned. It is no secret that he aspires to become national chairman, and it is quite generally believed that he feels that his hopes are centered in the successful outcome of the Parker movement. It is certain also that his friends seemed to feel the same way, for they rallied to him in this fight more strongly than ever before.

The tallest man at the state convention today was the Hon. Levi Mock of Bluffton. He is nearly seven feet high. His tall silk tile made him appear at least a foot higher. He was rated as a hot Hearst man, but he spent most of his time about the Grand, which was headquarters for the Parker men. Another old-timer here today was Colonel Eb Henderson of Martinsville, who was chairman of the state committee in the first Cleveland campaign. He was a Parker man. Colonel Dick Bright, who owned the party organ a quarter of a century ago and who was formerly sergeant-at-arms of the United States senate was another conspicuous figure. It was said that he came to Indiana to work against instructions, but it is said that he took no part. The convention brought together many of the old-time party men who have not been here much in recent years.

One unique feature of the close of the Hearst campaign here was a series of revival meetings held all day yesterday in the big assembly room at the Claypool hotel, where speeches were made by the famous Rev. Sam Small, C. A. Windle of Illinois, and others who were prominent in the last two Bryan campaigns.

POWDER LET GO

Explosion In an Illinois Mine Resulted In a Shocking Accident.

FIVE MEN WERE KILLED

In Addition to This Several Others Were Fatally Injured in the Distressing Disaster.

Electric Current Turned on Prematurely Explodes Six Kegs of Powder.

Carbondale, Ill., May 12.—In an explosion at the shaft of the Big Muddy Coal and Iron company in Kerrin, five men were killed outright, five seriously injured and twenty others slightly injured. The dead are: John Miller, Dick Reins, Fritz Selburg, Evan Williams, Thomas Green. Fatally injured: John Swofford, Frank Lazonia, Angelo Scaronia.

The disaster was one of the most serious in the history of the coal industry in this section for many years. Six kegs of powder had been placed in the mine during the time intervening between the night and day shifts, for distribution to the men in the morning. John Miller, a driver, had charge of the distribution of the explosives.

Ten minutes after Miller was supposed to have accomplished his task, the electric current which runs the machinery was turned on and the explosion followed. It is supposed that through some mistake the current was switched on before Miller had distributed the powder.

Preparations were hurriedly made by the men on top to learn the fate of their forty or more companions below. On reaching the passageway they were met by a frightful sight. The body of Miller, the driver, was literally torn to pieces. Evan Williams was found only a short distance from Miller, and four of those whose injuries may prove fatal were found in the same vicinity. The three others killed were farther from the pit and not so badly disfigured. The injured men were found in all parts of the mine. The dead and injured were taken to the top as rapidly as possible, the dead to an improvised morgue and the injured to their homes or boarding-houses. The coroner's inquest is being held in Kerrin today.

A STORMY SESSION

Sheriff Called on Supreme Council Bankers of the World.

Omaha, Neb., May 12.—The annual meeting of the supreme council of the Bankers' Union of the World developed into a stormy session, during which the police were called in to restore order and the sheriff served an injunction on Dr. E. C. Spinney, restraining him from transacting any business. After the reading of the report of President Spinney, Supreme Banker Swartz secured the floor, taking occasion to denounce Spinney and his method of conducting the business of the order. Dr. Spinney, who presided, called upon the police to effect Swartz, but the latter sat down and avoided trouble. At this juncture, and just as Chairman Spinney called for nominations for president, Sheriff Power appeared and served an injunction on Spinney and a number of his associates, who were restrained from taking further action in the election of officers and from the voting of proxies. Dr. Spinney at once appointed Ezra Howard chairman and himself retired to a seat with the delegates. Attorneys have been retained by the Swartz faction, who declare they will fight the matter out in the courts.

There has been considerable opposition to Spinney by many who allege that his management was responsible for the recent petition of the state auditor to the supreme court for a receiver, at which time the sheriff was placed in charge of the order's affairs. This opposition was headed by Banker Swartz, who secured the injunction on the ground that Spinney was not properly conducting affairs, and that he had arranged for a number of Omaha men to vote proxies of several South Carolina lodges.

The Bankers' Union is a fraternal insurance order, doing business in about thirty states.

Further German Losses.

Berlin, May 12.—Colonel Leutwein, governor of German Southwest Africa, in a dispatch dated May 10, says that the Hereros are retiring from their lines at Otjibura and Owikokorero to the northward and are moving with strong forces in the direction of Waterberg. Colonel Leutwein says that a skirmish took place May 9 at Outjo and that the Hereros withdrew toward Paresisberg. The German losses were one dead, one wounded and two missing.

No Trouble in Hayti.

Washington, May 12.—Minister Leger of Hayti has communicated the following statement: "According to a telegram just received from the president of the republic, there is no trouble in Hayti; there is not even any fear of an uprising; the country is perfectly quiet."

Suicide or Accident.

Bristol, Tenn., May 12.—The coroner's verdict in the Wentz inquest is "Suicide or accidental killing."

Illinois Republicans.

Springfield, Ill., May 12.—The Republican state convention, which convened at noon today, will not be permanently organized before tomorrow morning. There is a fight on today over the seating in the temporary organization of the delegates recommended by the state central committee. State Senator Berry has been selected to make the fight on behalf of Deneen, Sherman and Hamlin. The Yates partisans rely on Deneen to throw his support to Yates if there appears any probability of Lowden's nomination. They say that Hamlin will pursue a similar course. None of these things, of course, are admitted by the Deneen, Hamlin, Sherman men. It has been decided that the convention will endorse Senator Fairbanks of Indiana for vice president.

STATE NEWS

Indianapolis, May 12.—One of the most brilliant parades ever witnessed in the streets of Indianapolis was that yesterday afternoon which marked the conclusion of the Knights Templar. There were thirty commanderies in line, numbering nearly 2,000 uniformed men, and nearly every commandery was accompanied by a band, making an unusually handsome display.

This conclave is one of the most important and largely attended in the history of the order in Indiana. The report of the grand commander suggests that the elections in subordinate commanderies be held in June. The report of the treasurer showed that there was a balance in the treasury April 14, 1903, of \$6,075.69, and that the receipts for the year ending April 18, 1904, had been \$6,731, making a total of \$12,806.69. The disbursements for the year had amounted to \$5,391.82, leaving a balance on hand May 10, 1904, of \$7,414.87.

The report of the recorder showed that the total number of commanderies in the state is forty-five, with two more commanderies under dispensation. The number of members in the subordinate commanderies Dec. 31, 1903, was 4,704, an increase of 381.

WERE WIPED OUT BY FIRE

Postoffice and General Store at Shannondale Destroyed.

Crawfordsville, Ind., May 12.—The postoffice and general store of John Brothers, at Shannondale, was completely wiped out by fire. The Odd Fellows' hall occupied the upper portion of the building, and the total loss is over \$7,000. There is some talk of incendiarism, as the postmaster is reported to have had trouble with a number of his patrons within the last few weeks.

A Long Course Outlined.

Bloomington, Ind., May 12.—One of the statistically inclined students has figured out that if a student at Indiana university would complete all the courses that are offered in the nineteen departments it would require 49 years. This does not include the new courses of medicine and commerce, which were established this year, and which will be regularly outlined in the catalogue to appear June 1.

Danger of Putting the Shot.

Martinsville, Ind., May 12.—Quincy Preston, nine years old, son of Mr. and Mrs. George Preston, while watching the older boys at exercise, was struck on the head by a twelve-pound shot, which slipped from the grasp of Kenneth Burns, fracturing the skull.

Government Boat Don't Tarry.

St. Louis, May 12.—The United States gunboat Nashville and the torpedo boat destroyer Lawrence, which have been here for twelve days in honor of the opening of the Louisiana Purchase exposition, has departed for New Orleans. The warships will be piloted down the Mississippi river by the United States lighthouse service steamer Luy.

INSTRUCTED FOR PARKER

Hearst's Partisans Worsted in State Democratic Convention.

Indianapolis, May 12.—The Indiana Democratic state convention assembled in Tomlinson hall at 11 o'clock today to select delegates and alternates to the national convention, electors and contingent electors. Alonzo Greene Smith of this city was named

ALTON B. PARKER.

for permanent chairman and Lew G. Ellingham of Decatur as the secretary of the gathering. Elliott R. Hooten of this city is sergeant-at-arms.

The report of the committee on resolutions instructed the delegates to the national convention to vote as a

WILLIAM B. HEARST.

unit on all propositions and to cast their votes for Alton B. Parker for president and for Thomas Taggart for chairman of the National Democratic committee. This report was presented by W. A. McCulloch of Vincennes.

W. A. Ryan of Indianapolis presented the report of the committee on credentials. This report favored the seating of all the contested Parker delegates and refusing seats to the contested Hearst delegates. At a caucus of the Hearst delegates last night it was agreed to carry the contest before the national convention.

LOCAL BREVITIES

Mrs. Lillie Readle's conditions remain about the same.

The Sexton-Henly bowling club, will meet tomorrow, (Friday) at the Pastime alleys.

Born to James Smith and wife, on Cerro Gordo street, early this morning, a six pound boy.

The little daughter of Mr. and Mrs. Thomas Hughes, is confined to its home with measles.

Two more car loads of machinery arrived over the C. H. & D., this morning, for the power house.

The little three-year-old daughter of Otis Kenton, living on the Bruce Johnson farm, west of town, is dangerously ill.

The home of Oliver P. Morton, Indiana's war Governor, at Centerville, in Wayne county, is being advertised for sale. It has been hoped by many that the Indiana Legislature would see fit to purchase the place and maintain it as a tribute to Morton's memory.

Two train loads of dirt have arrived and are being unloaded along the Big Four tracks north of the depot. The dirt was brought here for the purpose of raising the approaches to the new bridge which spans Flatrock. Several more train loads will be transported here and the road bed from the depot to the bridge will be raised three feet.

Manager Wilson, of the Columbus, Greensburg & Richmond Traction Company, says that the company is ready to make another proposition to the Richmond council for a franchise in that city. Manager Wilson says the company will build its own bridge over the Whitewater river. It will be the most expensive work on the entire line.

Shelbyville Liberal: Reason Davis, Jonathan Tennant and Albert R. Keaton, were yesterday appointed appraisers by Judge Morris at Rushville in the case of the Indianapolis & Cincinnati Traction Company vs. Spencer R. Barnett and wife for the appropriation of lands necessary to the construction of the railway through Fountain-town.

It will go down in history that there was frost in Indiana on the night of May 10, 1904. This is the latest date that there has been frost for many years. Little damage was done, as the fruit is not far advanced. The late spring has caused all fruit to be backward and but for this the frost Tuesday night would have done an immense amount of damage.

Friends of Miss Ruth Megee, daughter of Mr. and Mrs. George Megee, of Waynesboro, Virginia, who formerly lived in this city, in the house now occupied by B. H. Cox and family, will no doubt be delighted to learn that Miss Ruth, who is attending the Valley Seminary for Girls, at that place, had the highest average in her studies of any one in the whole school.

The High School Senior class is practicing diligently for its production of Shakespeare's Merchant of Venice, Tuesday, May 24th, at the City Opera House. Miss Mayme B. Troxell, of Greenville, Ohio, who is training the class, is unable to be here at present, owing to the serious illness of her sister, and the work is being carried on by Jesse Pugh, who is to take the part of Shylock. Miss Troxell expects to come to Rushville in two or three days.

The Sixth district caucus at the Democratic State Convention last night resulted in the following selections: Delegates, Morgan L. Meyers, Decatur, and U. S. Jackson, Hancock; alternates, Daniel Petro, Wayne, and John H. Doyle, Shelby; resolutions, Alex. Alexander, Franklin; organization, Loring Bundy, Fayette; credentials, A. E. Smiley, Rush; vice president, James A. Smith, Union; elector, Dr. Felty A. Balser, Henry; alternate elector, Frank J. Macke, Wayne; assistant secretary, W. R. Chambers, Henry.

Presidential postmasters in Indiana, including Indianapolis, and many of the larger cities, will receive a reduced amount the next fiscal year for promotions and additional clerical help. Last year the allowance was \$1,200,000 for increased salaries and additional appointments. Congress has reduced the appropriation for this purpose to \$500,000. Accordingly the department will be able to allow only 30 per cent. at each office for clerk hire, instead of 70 per cent. as heretofore. This will be felt in nearly every presidential postoffice.

MISS EMMA WATSON

Becomes Mrs. Jerry Mathews—
Well Known in This City.

Jerry A. Mathews, secretary to Senator Charles W. Fairbanks, and Miss Emma Lillian Watson, daughter of Mr. and Mrs. William Watson, of Winchester, were married last night at 8 o'clock at the residence of Rev. Joshua Stansfield, pastor of the Meridian street M. E. church, in Indianapolis. On account of sickness in the bride's family, the wedding was a quiet one. Mr. and Mrs. I. D. Lamberton, close friends of the bride and groom, being the only guests present.

The bride is a well-known society girl of Winchester, and was formerly in the office of the secretary of the Republican State committee at Indianapolis. Her father is a prominent Republican editor of Winchester, and is well known throughout the State, being a brother of Congressman James E. Watson, of this city.

Mr. and Mrs. Mathews became acquainted while the latter was connected with the Republican state committee last year, and the friendship that sprang up there reached its happy culmination in the wedding last night.

It was the desire of Congressman Watson to have the young people married at his home here, but a host of their friends learned of their proposed affair, and by their extensive preparations for a celebration caused the bride to change her plans. Mr. and Mrs. Mathews will reside at 120 West Twentieth street, in Indianapolis until Mr. Mathews returns to Washington in the fall.

Miss Watson is well known in this city, having visited here quite frequently as the guest of Congressman Watson and family.
